## Build your TECH-O word bank with these ideas:

1. Visit [www.TeachingK-8.com](http://www.TeachingK-8.com) to download the clue cards for "definition" bingo.
2. Use the TECH-O card to look up vocabulary and make vocabulary flash cards for your computer center.
3. Want to share the dictionary you create? Put each word and definition in a PowerPoint presentation and set it up as a "click" to the next slide to reveal the right answer.
4. To create new bingo cards with your own tech word wall vocabulary, just visit Discovery School or TeAchnology for online tools to create your own cards. You can play bingo, crossword puzzles, word scrambles and more with these online resources.
